**MEN'S HANDICAP ADJUSTMENTS**

**FOUR-BALL MATCH PLAY:** Reduce the handicaps of all four players by that of the lowest marker, who will then play off scratch. Each of the other players is then allowed his resulting handicap. Strokes to be taken in accordance with the match-play index on the scorecard.  
Example: Four players, A, B, C and D. A's handicap is 10, B's is 22, C's is 15 and D's is 11.  
A would play off scratch.  
B would receive 12 strokes.  
C would receive 5 strokes.  
D would receive 1 stroke.  
D would have a stroke at the hole indicated on the match-play index for 1.  
C would have strokes on the holes indicated in the match-play index as 1, 2, 3, 4 and 5 and B would have strokes on holes indicated as 1 to 12.

**FOURSOMES STROKE:** Half of the combined handicaps.

**SINGLES MATCHES:** Full difference between the respective handicaps.

STABLEFORD AND PAR EVENTS: Stroke handicap.

MEDLEY AND MIXED FOUR BALL EVENTS: Played as a four-ball event where two men, two ladies or a man and a lady may pair as partners. Men will play off handicaps off their own card. Ladies will play off full handicaps off their own card.

CANADIAN AND AMERICAN FOURSOMES STROKE: 3/8 of the combined handicap; fractions to count.

AMBROSE: 4-person, 1/8; 3-person, 1/6; 2-person, 1/4 of combined handicap. All Ambrose events are to be played 1 Club length preferred lie through the green.

TIES: Championships, Jacaranda Open and Grafton Bowl to be decided by a 3-hole aggregate stroke playoff on hole 1, 8 and 9, then if scores are still tied, by sudden death commencing at the tenth. All other competition ties are to be decided by countback unless otherwise decided by the Match Committee.

HANDICAP EVENTS: Members will play off their full handicap.

GRAFTON GLASS 2 PERSON AMBROSE KNOCKOUT – each player must have 6 drives each. (Handicap ¼ of combined).

CLARENCE VALLEY RURAL AND INDUSTRIAL SUPPLIES (ROD GLEESON) WINTER CONSISTENCY TROPHY: This event is decided on the aggregate of four stipulated Stableford rounds as indicated in the programme.

BENDIGO BANK SUMMER CONSISTENCY TROPHY: This event is decided On the aggregate of six of 8 stipulated Stableford rounds as indicated in the programme

MONTHLY MUG COMPETITIONS: The holder of the Monthly Mug is entitled to have any member fill the mug at the bar once. This is reversed if the same member is asked twice in the month.

## REQUIREMENTS OF MEMBERS

By observing the following requirements and conditions, members will assist the various committees and add to the enjoyment and comfort of their fellow members.

### MATCH COMMITTEE

Players should obtain a copy of the rules of golf and make every endeavour to become familiar with them and their applications, as well as the etiquette of golf.

Players should check the notice board before commencing play to ensure that they are aware of all notices and local rules etc. They should also check their handicap and ensure that both it and their membership number are recorded on the scorecard.

The onus is on the player to check his score on each hole and to ensure

that his card is signed by both himself and his marker. The card is to be returned to the committee as soon as possible by placing it in the box provided and he should be available to settle any doubtful points with the committee.

Any player wishing to enter a protest in connection with a match or competition should do so in writing addressed to the captain and placed in the box with the day's cards. The captain, on receipt of such protest, shall convene at the earliest opportunity a meeting of the Match Committee, which shall consider the protest with their decision being final. Protests must be entered immediately on completion of the match or competition. Should any group have a clear fairway ahead, the following group should be allowed through, to avoid holding up the field.

POST ENTRIES will be accepted for all Club events, unless indicated otherwise.

### POLICY ON MATCH PLAY IN CONJUNCTION WITH STROKE PLAY:

Players contesting handicap matches in knockout events have the option of participating in the event of the day or not.

### ON-LINE BOOKINGS

On-line booking available on Our Golf or Grafton Golf Club Website.

Post entries most welcome.

NOTE: In all events, members should obtain their cards ten minutes prior to their tee time and be on the tee at the time allocated.

Apart from the regular Tuesday, Thursday, Saturday Competitions, the

### QUICK AIDS TO QUICK PLAY

Practice swings should not be taken if in doing so a player is delaying play.

As soon as it is your turn to play, do so without delay.

Walk briskly – you do not need to run.

Walk by the shortest route.

Study your putt while others are putting, without distracting others.

Leave your buggy intelligently near the green, so as to be able to pick it up on the shortest route to the next tee.

Debate anything necessary while walking.

Record scores while waiting to hit off at the next tee.

In Fourball, Par and Stableford events, pick up when a score is no longer possible.

Remember that just two minutes saved per hole means a saving of 36 minutes in a round!

The spirit of a golf club is given to it by ITS MEMBERS.

### CONDITIONS OF PLAY

The Match Committee reserves the right to alter, amend or substitute at any time:

The fixture book,

Conditions of play,

Commencement and finishing times of competitions,

Nominations for any club event,

Grade trophies will be given if 8 or more players play in that grade,

25 players or more play for donated trophies, otherwise club trophies

may be presented and the donated trophy contested at a later date,

**MOTORISED BUGGIES:** These are permissible for all club events.

**GREENS COMMITTEE**

Avoid walking up the face of bunkers – always leave the bunker the way you entered it and smooth out any marks as you go.

Do not practice on tees or fairways and be careful in the use of your "practice swings" in not aiming towards another person.

Do not lay your bag of clubs on the putting green, and use care in replacing the flagstick so that the edge of the hole will not be damaged.

Owners of pull-buggies should ensure that they are not taken onto the putting green, and are not left in a position where they will interfere with balls being played through the green.

Repair divots. Remember, it is easier to replace the turf than to re-turf the place. Be careful when walking on the putting green. Even soft spikes can cause damage. Pitch marks on greens should be repaired before leaving the green.

**GOLF CARTS:** Posted notices regulating the movement of these vehicles should be strictly observed. Unless there are exceptional circumstances, carts should not be taken within 10 metres of any green.
